The materials used throughout the program are taken from a variety of resources, such as Cambridge, Oxford University Press, Express Publishing, Longman, websites of BBC, British Council, English Profile etc. Some activities are based on the tasks from the Cambridge ESOL examinations (YLE, KET, PET, FCE). We use authentic materials from Youtube which are followed by handouts and useful vocabulary as well as materials from the course books. At the beginning of the session each camper gets a folder with all the handouts and materials used during the classes. Campers get 15 hours of English per session.\*
